...in other words the registration of your Millennium III will open up a whole new world of support, benefits, special offers and promotions...

When you start your Millennium III, the following window will open:

Attention, this is the **Product Serial Number** that you must show on the registration form.

How to obtain your personal Registration Code.

First of all, write down the **Product Serial Number** that is displayed in the "Enter Registration Code" window that opens when Millennium III is started up. Once this has been done, you may choose to register by using one of the following methods:

Online Registration

Click on the **Obtain Registration Code** button of the window that will open when you start your Millennium III to link up to the on-line Registration Form on the Proel website. Fill in the Registration Form completing all sections (don't forget to include the **Product Serial Number**) and submit it by electronic mail by pressing the "REGISTRATION" button. In a short time you will receive your personal Registration Code via E-mail.

Warning, this procedure requires connection to the Internet. If it is not possible to connect to the Internet from the PC where Millennium III is installed, you may access and fill in the on-line Registration Form from any other PC by entering the following address:
<http://www.proel.it/registration/registration.htm>

Fax Registration

Fill in the Registration Form on the back (don't forget to include the **Product Serial Number**) and fax it to number **+39 0432 663582**. In a short time you will receive your personal Registration Code by Fax.

Mail Registration

Fill in the Registration Form on the back (don't forget to include the **Product Serial Number**) and mail it to:
PROEL S.r.l.

**Via Zorutti, 117/2
33030 Campofornido (Udine) - Italy**

In a short time you will receive your personal Registration Code by Mail.

In this window you will enter the **Registration Code** that we shall provide you and click on the **Register Now** button.

Note: You may decide to postpone registration for a few days by clicking on the **Register Later** button (you may open the registration window at any time by selecting **Help>Registration**).

Remember that you have 30 days time to register Millennium III, after which it will no longer be possible to use it.
